ACTIV land program – Namibia trip – TOK TOK – Lodge + Camp Mix Tented Camps - 14 days

Windhoek – Namibwüste – Atlantic Coast 2N – Brandberg Uis – Damaraland Twyfelfontein 4N – Etosha National Park 2N – Okonjima, visit to the leopard project "home of the Africat"

Tag T1 **Hotel Pension Windhoek, BB** **50km**
Not far from the airport, after just 30 minutes by car you will arrive in Windhoek. After a long journey, there is time to acclimatise before setting off on a tour through the vast and unique Namibia. Suitable for the traveller who needs to get straight from work on the plane in the need to get some fresh air, we book the first accommodations based on availability "above the rooftops of Windhoek".

Tag T2 **Donkerhoek West Tented Camp, DBB** **180km**
An adventurous drive through the Khomas Highlands over the Bosua Pass into the Namib takes us to Chris, the manager, who is already waiting for us to give us a closer look at the history, present and past of this farm. As a chef, he also conjures up a hearty dinner; We book a scenic drive tour in an off-road vehicle through the farm "in the footsteps of Barbarossa". Dinner with your host with information about life on the farm.

Tag T3 **Swakopmund Pension Hotel BB, 2N** **150km**
Further west through the desert to the "Southernmost North Sea Resort" we are on the way to the Atlantic to Swakopmund. Accommodation in one of the local guesthouses, e.g. Meike's Guesthouse, or Pension Rapmund. Dinner in the restaurant in Swakopmund (to be paid for on site)

Tag T4 Optional offer Swakopmund to explore the surrounding area:
- Desert tour 1: through the Swakop riverbed and moon landscape to Goanikontes (self)
- Desert tour 2: with a knowledgeable guide who knows where to find desert chameleons, sidewinders and tok tokkies and can explain the succulent plant world
- Catamaran tour from the Walfish Bay marina, the "bay tour with pelicans and the like"
- Scenic Flight: view the desert from above. The sunset in particular can be experienced in a unique way, although gin and tonic are not permitted, especially for the pilot (please let us know if you are interested and we will get prices for your group).
- Cape Cross to the dwarf fur seal colony, 120km to drive yourself

Tag T5 **Daureb Isib, Uis BB** **200km**
Uis, a small mining town located northeast of Swakop in the desert, is becoming increasingly important as the formerly closed copper/tin mine is producing again. Tourism also comes into its own through various offers. We stay at Coffee and Cactus, welcoming, original accommodation with a restaurant.
You have to pay for dinner yourself in the on-site restaurant
Located at the foot of the Brandberg, Uis offers the ideal starting point to explore the surrounding area. The Brandberg, approx. 40 x 25km, is at 2965m the highest peak in Namibia and one of the cultural centers of the Bushmen.

Tag T6 **Twyfelfontein Adventure Camp Damaraland DBB, 2N** **140km**
Take your time in the morning, the path is not too far towards Twyfelfontein, the so called source of doubt. The Burnt Mountain and the Organ Pipes are geological national sights, designated as national heritage, which are complemented by the approximately 7,000 year old Bushman drawings. Visit all the sights here yourself on the journey.

Tag T7 Damaraland sightseeing. We book a trip through the area in a four-wheel drive vehicle offered by the lodge. We are conquering Damaraland: There are plenty of dry rivers that provide the habitat for our desert elephants. They offer us enough opportunity to search and find this rare species. They live from the rich marginal vegetation of these rivers: 3 days of fascination in Damaraland - far away from everything.

Tag T8 +T9 **Palmwag Lodge tented camp DBB, 2N morning hike incl.** **106km**
After driving many kilometers we find ourselves here at the oasis in Damaraland. Palmwag Lodge offers guided hikes for active vacationers, on the trail of desert elephants (which also stroll through the camp at certain times) or to track down rhinos. We have booked a morning hike for you included in the program. Additionally optional to book: Hikes: 90min, 3h or ½ day or excursions in the concession area.

Tag T10 **Hoada Comfort Camping in tented Camp** **100km**
Sights to visit along the way: Organ Pipes, Scorched Mountain, Petrified Forest. The journey goes over the Grootberg Pass, another highlight on the route. There is no lodge and no luxury here, there is a barbecue in the evening with a unique view. Bring drinks and ice (we'll provide the minimalist camping gear for tonight)! Overnight stay in front of the entrance to the western gate of the Etosha National Park so that you can be the first guests to enter the Etosha National Park early in the morning for your full Etosha day tour starting the next morning.

Tag T11 **Etosha Nationalpark – Etosha Safari Camp DBB** **360km**
The African wildlife is always the real reason for our guests to visit Africa. Enjoy wildlife ! Your tour guide will do his best to reward you for the long journey to Africa. Overnight stay south of the park.

Tag T12 **Etosha Nationalpark – Onguma Bush Camp DBB** **190km**
Full-day game drives - we spend another day in the most densely wildlife park in Africa and then spend the night east of the Lindequist Gate - in one of the beautiful and comfortable lodges/camps that are available outside the park.

Tag T13 **Okonjima, Africat Foundation, home of the africat DBB + leopard drive** **360km**
The end of your safari is approaching, the absolute highlight is coming up today: “photo hunting” for leopards in the private nature reserve. This very shy cat species is rarely seen; here we have an almost 100% chance plus lots of other game including the white rhinoceros, and of course lots of first-hand information.

Tag T14 **260km**
Last early morning activity at Okonjima: the Africat Project. Visit to the Cheetah, African Wilddog can be photographed up close. A wonderful time with many new impressions comes to an end. Its now time to drive to the airport, time to say goodbye. We look forward to welcoming you again soon - Heia Safari.

Tour kilometer approx. 2200km. On this tour, relatively fewer daily kilometers are driven than other tours, but activities for some exercise are included. All of our tours can be extended/exchanged upon request with days of stay or stopovers (e.g. to visit Sossusvlei or an additional overnight stay on the Swakopmund coast). Let us know, we are happy to make changes before final bookings.
